## Introduction

The purpose of this handbook is to provide general information to you and others interested in the operation of the Harrison County Sheriff's Department Adult Detention Center (HCADC). When policies are changed, modified, deleted or otherwise amended, you will be given notice of the change(s); **however, be aware that the most current policy will become effective, and enforced, regardless of what information is in this handbook.** This handbook is not an exhaustive guide to the detailed policies of the Adult Detention Center (which are subject to change), or procedures in effect at any given time. That information will be made available to you during the reception and orientation process. The material in this handbook is intended to help you understand what you can expect upon entering the Adult Detention Center, and to ease your adjustment and transition to facility life. You are expected to conduct yourself in an orderly and mature manner and to respect the rights of others. Some of the programs and services available to you are mentioned in this handbook. You may get more information about the available programs and services by submitting a request to the staff member in charge of the program or service. You are encouraged to discuss your needs, goals and interest with the staff. Your conduct and attitude will be observed and will be reviewed by staff when they consider you for programs and other privileges. You should try to make good use of the time you are in the Adult Detention Center by using the programs and services to better yourself. You are responsible for knowing and following all the rules and regulations that directly affect you. Close observance of rules and regulations will prove beneficial in receiving a possible work assignment, plus a considerable number of privileges that will make the period of confinement both rewarding and less stringent. Failure to comply with the rules and regulations will result in failure to earn those privileges and deter favorable consideration for programs and privileges. Failure to comply may, in some cases, be justifiable cause for an inmate to receive punishment, and/or have additional criminal charges filed.

Most inmates desire to serve their time in the best and most effective way possible. While you are in the Adult Detention Center, you will not be treated differently because of your race, color, religion, national origin, gender, age or disability. You will receive equal access to programs based on your classification and behavior while incarcerated. Felony inmates (with less than a \$100,000 bond) may apply to serve as an inmate worker.

While you are in the Adult Detention Center you are expected to keep yourself and your living area clean at all times. You are to respect the rights of your fellow inmates and the rights of the Harrison County employee's charged with your supervision. Your responsibility is simple:

- \*Obey the Rules
- \*Show Respect
- \*Have Good Behavior at all times
- \*Notify your Family and Friends of new rules that affect them

If you have questions that this handbook does not answer, the staff must be asked in the following order:

1. OFFICER assigned to your tower or floor
2. CORPORAL
3. SHIFT SUPERVISOR (SERGEANT)
4. WATCH COMMANDER (LIEUTENANT)
5. DEPUTY WARDEN (CAPTAIN)
6. WARDEN (MAJOR)

CHAPTER I  
ADMISSION, ORIENTATION AND CLASSIFICATION

**I. Incoming Inmates**

Incoming inmates will submit to a complete search, and dress in a clean uniform. During the booking process, staff members will ask you questions to assist with assessing your health needs and schedule temporary housing. This is for your health and safety. You are expected to tell the truth and cooperate.

**II. Issued Items**

When you are transferred from the booking area to a housing unit you will be issued an Identification Wristband. You are required to wear your Identification Wristband on your wrist at all times. Prior to arrival at the cell block, you will be issued a mattress, blanket, two (02) sheets, two (02) jail uniforms, undergarments for women (plain white non thong panties and plain white no wire bras for women) slide shoes, bath towel, cup, spork and hygiene items. Any other items needed must be submitted by a request form via kiosk.

When you are released you must return everything you received in booking, except the hygiene items. Items should be returned in the same condition as you received them. The other items (including hygiene) may be thrown away.

**III. Personal Property**

Your personal property will be inventoried and stored until your release unless you choose to release it to someone of your choice for pick-up; **we encourage you to have someone pick up any valuables**. Pick-up times are Sundays and Mondays 9:00am- 11:00am & 2:00pm- 4:00pm.

Personal property allowed in the housing units is limited to Issued Clothing Items and Hygiene Items, and purchases from the canteen. A reasonable amount of Personal Mail, Pictures and Legal Papers are allowed as long as they are kept neat and do not pose a sanitation, safety or security hazard.

All items maintained in your cell must fit inside your laundry bag or bunk compartment. If you are transferred to the Mississippi Department of Corrections (MDOC) or to some other Detention Facility, your personal property must go with you. Items not accepted by MDOC or other Agencies picking you up **WILL ONLY BE HELD FOR THIRTY (30) DAYS** at this facility. At the point of being sentenced to MDOC or transferred to another Agency, you should make arrangements to have a family member pick up your property. Any items left behind **WILL BE DESTROYED AFTER THIRTY (30) DAYS - NO EXCEPTIONS**.

**At NO time will Personal Property be unsealed to retrieve any items (ex. Telephone numbers, pictures, business cards, etc...)**

#### **IV. ADMISSION AND ORIENTATION**

Inmates admitted to the Harrison County Adult Detention Center or returned for court, parole, probation, intensive supervision program, earned release supervision, or suspension violations are first assigned to the classification's section. Upon completion of initial processing, inmates are transferred into the housing units. Prior to completion of initial classification all inmates are treated as "C" custody (close supervision) or "D" custody (maximum confinement) until they receive an assignment from the Initial Classification's Hearing Officer and are transferred from the classification's section to a permanent resident housing unit. During Admission and Orientation inmates are given an introduction to the initial classification process and are advised to review a copy of the HCADC Inmate Handbook provided on the kiosk.

#### **V. CLASSIFICATION (DEFINITION AND INTENT)**

Classification is the systematic processing of inmates into one or more of the following assignments:

- Custody Status
- Housing Unit
- Educational Programs (Adult Basic Education/GED)
- Rehabilitation Programs (Alcohol and Drug, Anger Management, Life Learning, etc...)

##### **A. Initial Classification**

This process includes, but is not limited to the following:

###### **1. Identification Process**

Inmates being processed to general population are strip-searched and ALL free world clothing is confiscated. Personal property that is not included on the Allowable Items List is confiscated. All currency is confiscated, a receipt is issued and the money is placed in the inmate's account. The inmate is allowed to shower and receive issued items. The inmate is photographed, fingerprinted, retina scanned and issued an identification wristband. Each inmate is given forms to complete that include the address of the facility for receiving personal mail and funds for their inmate account, they also receive religious information form for the Chaplain's Department. The Security Threat Group Intelligence Coordinator interviews each inmate for the detection and identification of gang or unsanctioned group involvement. After review by the security personnel of the intake processing center, the inmate's file is delivered to the Classification Office. The inmate is placed on a pre-physical list for a medical examination by the medical staff, and is scheduled for an initial classification's hearing.

###### **2. Physical Examination**

Medical staff will examine each inmate within fourteen (14) days of entering the facility. When the medical staff completes the commitment report, a Medical Class will be assigned to the inmate and documented in the report. The report is then forwarded to Classifications.

##### **B. Objective Classification System**

Each inmate will be scored using the Objective Classification System during initial classification to establish a custody rating upon their admission to the HCADC. This custody rating is based upon an assessment of items that are scored on a numerical scale. Your temporary housing assignment will be determined by Inmate Processing Center staff. Within five (5) working days, classification's staff will evaluate you based on current criminal charges, past criminal history and/or special needs identified during the booking

## HARRISON COUNTY SHERIFF'S DEPARTMENT ADULT DETENTION CENTER INMATE HANDBOOK

process. Your permanent custody level will then be determined. While incarcerated, your behavior will be closely monitored. You may request reclassification once every six (6) months. However, an inmate may be reclassified using the Objective Reclassification Assessment Review as often as is necessary throughout the incarceration period in the HCADC and its satellite facilities.

**CHAPTER II  
PROGRAMS**

**I. ADULT BASIC EDUCATION**

The General Education Development (GED) is available to those inmates who do not have a high school diploma. Modern educational techniques and equipment are available to those inmates who wish to participate in the GED Program. A program of study covering Reading, Mathematics, English, Social Studies and Science is offered to help the inmate develop an acceptable degree of skill in these prime areas of education. A student may earn a diploma of high school equivalency by successfully passing the GED. The GED program works in cooperation with the Mississippi Gulf Coast Community College.

**A. Enrollment Procedures**

Applications for enrollment in any course must be made by the inmate through the Classification's Office. A satisfactory review of the application record must be compiled before enrollment

**B. Eligibility**

Inmates over the age of 16, who are not high school graduates, are eligible for consideration in the GED program

**II. ALCOHOL AND DRUG PROGRAM**

The purpose and goals of the Alcohol and Drug (A&D) Program are to identify the need for and provide services to all eligible inmates with a history of alcohol/substance abuse and/or drug sales/distribution.

The primary treatment services will include:

- Inmate diagnosis and identification of problem areas
- Individual and group counseling
- Individual treatment objectives
- Treatment goals
- Drug education plan
- Relapse prevention and management
- Provision of self-help group to assist with treatment
- Initiation and implementation of the steps of the recovery process

**A. Enrollment Criteria**

1. Inmates must have a history of substance use/abuse and/or drug sale/distribution
2. Inmates must not have received an Assaultive Rule Violation Report (RVR) within 3 months of program participation

**B. Referral Process**

Inmates are referred to the A&D Program from the following sources:

1. May be requested by a court of jurisdiction
2. May be referred by Classifications or Security Management
3. May be referred by Classification Hearing Officers, Disciplinary Hearing Officers, and Inmates who have identified their own need for treatment may request placement in the A&D Program by writing a letter or seeing their Classification's Officer

### III. RELIGIOUS PROGRAM / CHAPLAINCY SERVICES

- A. HCADC provides all eligible inmates with the opportunity to exercise legitimate religious beliefs in a manner consistent with the security and orderly operation of the facility
- B. Each inmate is asked to complete a Chaplaincy Information Form (CIF) which indicates next of kin information necessary to verify critical illness or death of family members. In an emergency, inmates should notify family members to contact the chaplain in order to verify and process information. The CIF also indicates the inmate's religious preference and is important in planning programs of support in faith and tenets of practice
- C. The Religious Programs chaplain will normally be the staff person to notify inmates regarding emergencies related to critical illness or death of family members
- D. Chaplains assist inmates to attend religious services as identified by their religious preference statement. Inmates may attend such group activities as long as they do not pose disruption to the orderly operation of the facility. Any disruptive behavior will be dealt with individually and may determine that the inmate is not approved to be involved in group activity
- E. Inmates in Administrative Segregation, Disciplinary Detention or Protective Custody are assisted by Chaplains to carry out approved religious faith practices on an individual basis
- F. Pastoral visitation by inmate's designated clergy leader will be coordinated through the Religious Programs Chaplain
- G. Inmates may receive religious literature distributed through the Religious Programs Chaplains.
- H. Inmates may participate in religious correspondence courses through the mail upon approval through the Religious Programs Chaplains
- I. Inmates will be assisted by Religious Programs Chaplains to participate in activities (i.e. worship, study groups) related to their stated religious preference. Disruptive behavior on the part of any individual may result in disapproval to meet within group activities. Inmates in administrative segregation, disciplinary detention, or protective custody will be assisted by the chaplain to practice their faith individually
- J. Inmates are able to seek chaplaincy services by making a request to the chaplain to be seen or by filling out a request form available in the housing unit
- K. Whenever possible, religion based programs will be conducted in areas other than the block or dormitory dayrooms. This affords participating inmates a sense of privacy and protects other inmates who do not wish to participate from feeling as if they have no choice. However, dayroom areas in all units are considered common areas, which are used to accommodate a variety of programs, including religion based activities. On such occasions, inmates who do not wish to participate may return to their cells or bunks in the dormitory living area

CHAPTER III

INMATE EMPLOYMENT AND JOB ASSIGNMENT

**TRUSTEE STATUS**

- A. Inmates may be recommended for Inmate Worker (Trustee Status) based on Institutional needs, labor crew needs and the inmate's ability/skill. Approved programs may include, but are not limited to the following:

You will be denied if you have a history of behavior problems while in jail or a violent criminal history. Understand, as an inmate worker you must follow all handbook rules and some additional inmate worker rules. Privileges for inmate workers include: longer visitation, increased meal portions and the opportunity to sharpen or develop a skill. If fired from inmate worker status you must wait 30 days before reapplying.
