Description

TASER X26P, X2 and the new TASER 7 Instructor certification course – With the release of Version 21, we have reformatted the Instructor course to teach students how to develop and safely execute scenarios and isolation drills, provide more in depth scenario training, and Virtual Reality training. Students will learn how to develop and safely implement scenarios, Isolation drills and conduct teach backs to hone their Instructor skills. This online and practical day course will certify you to instruct others on the use of one or more of the X26P, X2 and TASER 7 TASER Conducted Energy Weapons. The online portion is a prerequisite to attend the practical schedule day.

What To Bring:

The dress is casual. Bring your department issued TASER holster (if applicable). Holsters will be available for those who need them. Please bring your duty belt with NO firearms, ammunition, or weapons of any kind.

Reminder:

The online portion of this course is required to be completed three-days before the training date. The online portion will then lock and not be reopened. If you were unable to complete the online portion as required, you will not be permitted to attend the class and will either have to transfer or cancel your enrollment.

All check or credit card payment arrangements are must be made no later than 21 days before the training dates or enrollment is automatically canceled. Should you need to request an extension, please contact training@taser.com with reasoning and payment information.

All Instructor courses close, whether or not they're full, 21 days in advance. Once a class is closed or full, additions may not be made.
