SCAM CALLERS

The Harrison County Sheriff's Office has received complaints in the last week of an unknown subject making calls from a blocked number, pretending to be someone that works for the Sheriff's Office. The caller states that the person has old fines due and, in order to avoid being arrested, they need to provide a debit/credit card number and personal information. The public needs to be aware of this scam and know the Sheriff's Office does not make phone calls of this nature. Complaints of this type activity can be reported at 228-896-0678.
