## **INSTRUCTIONAL GOAL:**

To familiarize First Line Supervisors with the skills, techniques, and basic concepts of supervision. An understanding of these concepts is fundamental for First Line Supervisors to be successful as mentors, trainers, and as leaders. A properly trained professional supervisor is one of the best weapons any law enforcement agency can have in their arsenal, as they will pass on their training and professional attitude to the younger officers. In today's litigious society, you can help to avoid unnecessary litigation due to "failure to train" or "improper training" of supervisors and officers alike, by affording your officers the proper tools and skills needed to function in modern law enforcement. Global Police Solutions, LLC is committed to our clients and believes in "Instilling professionalism through training".

Global Police Solutions, LLC is an approved advanced LE training provider, who understands the concerns and needs of today's law enforcement.
